O R D E R:

The administrative control of the 2X500KW Chettipet was shifted to Chief Engineer/O&M/LSHES from Superintending Engineer/Vijjeswaram in the year 2010 after closure of O&M contract of VGPS. The Chief Engineer/HPC&HP/VS/Vijayawada vide reference cited has informed that due to the shifting of administrative control, it is becoming very difficult to monitor the works of Chettipet from LSHES as the Chettipet Power House is located far away from the O/o. Chief Engineer/O&M/LSHES and requested to change the administrative control of the 2X500KW Chettipet from Chief Engineer/O&M/LSHES to Superintending Engineer/Polavaram HEP which is nearer to the plant, for smooth monitoring of works of MHES.

2. After careful consideration, the administrative control of 2X500KW Chettipet is hereby changed from Chief Engineer/O&M/LSHES to Superintending Engineer/Polavaram HEP, duly keeping the seniority of Plant Attendant at Lower Sileru unit.
