ORDER:

APGENCO is poised to meet the challenges of meeting the rapidly growing demand for power in the State through an ambitious programme of capacity augmentation. Driven by the need to add capacity at rapid pace and to meet the high expectations of delivery from State Power sector commensurate to the targets set up by CEA, APGENCO has drawn up plans for massive capacity addition of 6510 MW at State level for construction of new power projects to increase the installed capacity during XII Plan. Aiming to gain a firm foothold in Power Project installation and execution of works, 18 new power projects of 18792 MW total capacity have been programmed by APGENCO during the XII and XIII Plans.

2. Under the capacity expansion programme, to cater to the manpower requirement for the Projects coming up for commercial operation during 2013 which are at present on the threshold of completion of Construction activities and to maximize reliability and efficiency in operation of the upcoming units, APGENCO has submitted comprehensive proposals to Govt. of A.P. vide reference 1st cited for optimal manpower requirement for Operation and Maintenance works of SDSTPS & LJHES attuned to the existing technologies and cost economies. In addition, proposals were also submitted for the execution of Construction works of Kakatiya Thermal Power Project Stage-II and Rayalaseema Thermal Power Project Stage-IV and also for corporate office(Vidyut Soudha/Hyderabad).

Contd..

3. The Government of A.P. has approved for sanction of 1105 additional posts in APGENCO in various cadres for Construction works and Operation & Maintenance works of New Power Projects/existing Stations and Corporate Office(Vidyuth Soudha) vide G.O. in the reference 6th cited as hereunder.
