

**ANDHRA PRADESH POWER GENERATION CORPORATION LIMITED**

APGENCO-Constitution of committee to review the Hydrology data and capacity (MW) of Polavaram Hydro Electric Scheme-Orders Issued.

**G.O.O.No.491/CEE Projects/2006**

**Dated:16.01.2007**

Polavaram Project is a multi purpose Project proposed across Godavari River near Polavaram Village about 42KM up stream of Godavari Barrage.

Irrigation and CAD Department, Government of Andhra Pradesh have submitted the DPR in February 2006 to CEA/CWC for according TEC to the project. In the DPR the station capacity is considered as 960MW (12x80MW) and annual energy generation in 74.07% dependable year as 897.98MU. And also they have submitted the DPR duly modified by M/s Stup Consultants to CEA/CWC for clearing the project. M/s Stup Consultants have considered the energy during initial years as 2242MU and varying to 498MU by 35<sup>th</sup> year.

As present capacity proposed is on higher side, after careful consideration a Committee with following members is constituted to review the Hydrology data and capacity (MW) of the Polavaram Hydro Electric Scheme based on the energy availability and furnish the report for taking up the power house works of the project.

**MEMBERS:**

- |    |                            |  |
|----|----------------------------|--|
| 1. | Sri. G. Adishesu.          | Director (Hydel)/APGENCO                 |
| 2. | Sri. U.G. Krishna Murthy.  | Director (Technical)/APGENCO             |
| 3. | Sri. Routhu Satyanarayana. | Retd Chief Engineer, I&CAD, department.  |
| 4. | Prof.V.S. Raju.            | Retd Director IIT, New Delhi             |
| 5. | Prof. B.S Murthy.          | Professor Civil Engineering IIT, Chennai |

**SPECIAL INVITEES:**

- |    |                                |  |
|----|--------------------------------|--|
| 1. | Sri. Bh. Satyanarayana Murthy. | Former Director/APGENCO                              |
| 2. | Sri. V. Gandhi Chowdary.       | Retd.Chief Engineer (Civil) and<br>Advisor to APPDCL |

The Chief Engineer, Civil Hydro, shall be the convener for the above Committee.

**(AJAY JAIN)  
MANAGING DIRECTOR**

To  
Sri. U.G. Krishna Murthy., Director (Technical)/APGENCO  
Sri. G. Adishesu., Director (Hydel)/APGENCO  
Sri. Routhu Satyanarayana., Retd Chief Engineer, I&CAD, Department.  
Prof. V.S. Raju., Retd Director IIT, New Delhi  
Prof.B.S Murthy., Professor Civil Engineering IIT, Chennai  
Sri. Bh. Satyanarayana Murthy., Former Director/APGENCO  
Sri. V. Gandhi Chowdary., Retd Chief Engineer (Civil) and Advisor to APPDCL
