### ORDER:

In the ref. 1<sup>st</sup> & 2<sup>nd</sup> cited above, Letter of Intents were issued to M/s Earnst & Young Pvt. Ltd to offer their advisory services to obtain Carbon Credits for new projects under Clean Development Mechanism and for existing projects under Verified Emission Reductions route.

In the review meeting held on 13.08.2007, E&Y has informed that they have appointed separate persons for each project in their organization and requested APGENCO to nominate contact persons for each project to facilitate smooth flow of information, data and documents required for CDM and VER projects so that the projects can be completed in time.

Accordingly the Chief Engineer/Commercial has informed the Board of Directors that it is essential to nominate contact persons for each project to complete the CDM and VER projects in time and obtain Carbon credits at an early date. Furnishing necessary information and documents required for CDM and VER projects in time is very crucial in obtaining Carbon credits and generate revenue from sale of Carbon credits at an early date.

Andhra Pradesh Power Generation Corporation Limited has nominated following Engineers as contact persons for each project. These contact persons have to interact with the consultants for CDM and VER projects and furnish necessary information and documents in time as required by them.

S.No.	Name of the Project	Concerned Functional Head	Name of the Engineer/ Contact Person responsible
1.	Lower Jurala Hydro Electric Power Plant (6x40 MW)	CEE/Projects	Sri L.V. Swamy Naidu, EME
2.	Nagarjuna Sagar Tail Pond Dam (2x25 MW)	CEE/Projects	
3.	Pulichintala Hydro Electric Scheme (4x30 MW)	CEE/Projects	
4.	Mini Hydel Units at Peddapally (4.15 MW)	CEE/Projects	
5.	Srisaillam Left Bank Power House (6x150 MW)	CEE/Projects	Sri R.Banu Prakash, EME
6.	R&M of 'B' & 'C' Stations of KTPS-ABC	CE/Gen-1	Sri M.Sambasiva Rao, EME
7.	Use of washed coal at VTPS received from Coal Washery at Talcher	CE/Gen-2	Sri G.Srinivasa Rao, EME
8.	Fly ash brick manufacturing units at thermal stations	CE/Civil/General	Sri P.Sriram Reddy, Asset Manager, V.S., Hyd.
9.	Krishnapatnam Thermal Power Plant (2x800 MW)	APPDCL	Sri Basant Kumar Siddeswar

In the absence/transfer of above nominated Engineers, the successors looking after their charge will become the contact person for furnishing the information to the consultants.

(BY THE ORDER AND IN THE NAME OF ANDHRA PRADESH POWER GENERATION CORPORATION LIMITED)
